

STAGE ONE

JOINER

You may not have heard of Stage One, but we can guarantee you will have seen our work.

From the set of the TV show The Voice, to the Mercury Music Prize stage and even the 2012 Olympic Cauldron we produce work that is seen all over the world.

We are a creative construction and manufacturing company and are responsible for delivering some of the most iconic projects in recent times.

We are a multi-disciplined manufacturing facility spread over 12,000Sqm of estate with four manufacturing and storage facilities, engineering, fabrication, woodwork, finishing and a specialist manufacturing facility.

The joinery manufacturing capabilities at Stage One crosses a broad spectrum: from simple scenic flats to all manner of specialist scenic construction.

Staging, treads and rostra through to exhibitions, shop fitting, furniture and bespoke sculptures.

DETAILS OF THE ROLE

SALARY	£15.68 - £17.22 per hour, dependent on experience
HOURS OF WORK	Monday - Friday, 07:30 - 16:00, with overtime as required
LOCATION	Based at Tockwith, near York

ABOUT THE ROLE

Joiners work in the Wood Workshop carrying out bench joinery tasks on projects running through the workshop to a high standard as required. This role may also require travel to site to assist in the installation of a project.

Key Responsibilities:

- Construction of components as required ensuring that the highest standards in finish and tolerances in accordance with information supplied, are achieved using the correct methods.
- Following day to day production plans in order to meet project deadlines.
- Be able to solve problems and make decision when needed.
- Record all builds as complete on our internal database.
- Help to manage the quality control of finished items.
- Clearly communicate all relevant information including job progress and any problems and/or issues.
- To be flexible and assist other Departments/Supervisors when required.
- Adhere to all Health & Safety Regulations and promote a safe working environment by actively incorporating H&S into everyday activities.
- Actively pursue self-development to increase job knowledge and skills.
- Maintain Housekeeping standards by actively promoting and following environmental procedures.
