

You may not have heard of Stage One, but we can guarantee you will have seen our work.

From the set of TV show The Voice, to the Eurovision Song Contest stage, and even the set for Ed Sheeran's Mathematics Tour and the 2012 Olympic Cauldron we produce work that is seen all over the world.

We are a creative construction and manufacturing company and are responsible for delivering some of the most iconic projects in recent times.

We are a multi-disciplined manufacturer spread over 12,000sqm of estate, with four facilities that house engineering, fabrication, woodwork, finishing and specialist manufacturing.

Senior Project Manager – Fixed Term Contract

The Role:

We are looking for Senior Project Managers to work with us on a fixed term contract (with the potential to be made permanent), who will be responsible for coordinating and managing a wide variety of projects from the initial brief through to the installation on site and completion. The Senior Project Managers will be responsible for projects from their early stages through to completion. If you have a background in production / manufacturing-based Project Management, particularly within stage engineering or entertainment, we'd love to hear from you.

→ **Salary:**

Dependent on Experience

→ **Hours of Work:**

08:00 – 17:00, Monday - Friday

Additional sitework will be required which may include weekends

→ **Location:**

Tockwith, York, & Site Work Worldwide

Senior Project Manager – Fixed Term Contract

Key Responsibilities:

- Responsible for project delivery to time, cost and quality.
- Clearly define the project plan and scope and specifications for work packages for a project.
- Produce and manage procurement plans and enquiries and manage internal production, subcontractors and suppliers.
- Responsible for producing and managing project documentation including work packages, scope & specifications, design risk assessment, schedules / programmes, budgets, procurement, inspection & test plans, site RAMS and technical files.
- Identify and manage project variations.
- Work with the Production Management Team to ensure projects are adequately resourced and oversee the relevant manufacturing processes through the production phase.
- Site installation and commissioning.

Person Specification

Qualifications:

ESSENTIAL:

- A general education to include 5 GCSE passes at Grade C or above (including Maths and English), or an equivalent educational qualification, or relevant experience.

Personal Attributes:

ESSENTIAL:

- Drive and self motivation.
- Ability to work under pressure.
- Strong attention to detail.
- Collaborative working style and willingness to input with shared ideas and problem solving.

Person Specification [CONTINUED]

Skills, Experience, Abilities & Competencies:

ESSENTIAL:

- Demonstratable project management experience within a manufacturing or production field.
- Experience of working to varying production deadlines and changing specifications.
- Mechanical Engineering experience.

DESIRABLE:

- Experience of working within stage engineering or entertainment industries or in large-scale events, theatre and TV sets, ceremonies, art installations and architectural pavilions industries.
- Hydraulics and automation experience.
