

You may not have heard of Stage One, but we can guarantee you will have seen our work.

From the 2012 Olympic Cauldron, architectural experimentation for the Serpentine Pavilion, the Eurovision Song Contest, and even the set for Ed Sheeran's Mathematics Tour, we produce work that is seen all over the world.

We are a creative construction and manufacturing company and are responsible for delivering some of the most iconic projects in recent times.

We are a multi-disciplined manufacturer spread over 12,000sqm of estate, with four facilities that house engineering, fabrication, woodwork, finishing and specialist manufacturing.
